Mr. Hay asked about the Night of Champions and Team Paul Mitchell Experience. Here is the information I have at present.

Here is the official US Open site. <http://usopen-karate.com>

Night of Champions <http://usopen-nightofchampions.com> This is where the pros will be performing and final competitions will go on. You don't have to attend. We did not last year and watched it online, however, this year, we plan to attend. We do not plan on getting front seats, though.

Last year, the Paul Mitchell Experience was on Thursday afternoon. It was amazing. That will be a ticketed event for participants. You will not need to have a ticket for spectating.

Please let us know if you would like to be removed from this list.

Thank you.

Crissi :D

All the details are included below my email in the letter from the US Open. I felt it was very clear and concise, so I forwarded it. There are links in each item that let you know cost of hotel, registration fees, etc. :D

Thanks again! Also, please reply to all so that we can all get the answers to the questions we may be having. Nicole Hunsader went with us last year and may be able to answer your questions faster than I can.

Thank you!

Crissi

You are receiving this because we are inviting you to the US Open.

You are not required to attend, but we would love to have you.

We are trying to get 10 people to participate in the tournament so that we can get the group rates.

There is a division for underbelts who have not participated in a tournament before.

We will not be in charge of any students other than our own children and Zac.

The Paul Mitchell Experience is highly recommended. That will be with pros such as Jackson Rudolph, Reid Presley, Tyler Weaver and many more. It is on the Thursday before the tournament starts.

We will be driving down Wednesday after classes and getting there mid-Thursday. We will be staying through the Night of Champions on Saturday Night. We will not be coordinating any of the details such as meals, etc. That is up to each of you as a family.

We will plan to do a team tee to designate our group as well. :D

Reply to all with questions and we can work together.

We're super excited about an amazing event!

CHRISSI BOYER TEAM SCS

Thank you for supporting the 2017 US Open ISKA World Martial Arts Championships.

Online registration is OPEN! To register, use this link:

<http://usopen-karate.com/2016-us-open-group-pricing-and-group-benefits/>

A Group Discount Code has been generated for your group/team. Your unique code is:

SCS17

Please make sure your team/group understands the group code should be entered exactly as it reads here - DO NOT put quotations around the group code or any other punctuation marks.

The current special gives you 36% off door prices which is the rate offered for groups of 25 or more. This special will continue until March 31, 2017. After that date, if your group is less than 25 competitors, the discount percentage will change to 30% which is the regular discount level for groups of 15-24. The regular discount percentage for groups of 10-14 is 24% and your discount code will change to this percentage on or about May 1, 2017.

1, 2017.

Any group discounts end on June 23, 2017 so you must register your entire team before that date to get a discount.

Also, remember that you must have a minimum of 10 people register using your group code to be eligible for group discounts.

Group Codes MUST be entered at time of registration. *We cannot refund anyone who fails to use the group code at the time of registration and then does not receive the group savings.* Make sure that the code is used for each person included in your registration. If it is not used for each competitor, we cannot later apply a missed discount.

Booking Hotel for the Event: The BEST way to experience the 2017 US Open is to stay at the tournament hotel - the Coronado Springs Resort in Disney. Some of the reasons to stay at the hotel are: You get amazing rates at a Disney resort, you get all the Disney amenities, you will be staying where the event actually takes place and you get FREE transportation from the airport to the resort on Disney's Magical Express. Here is the link to book your rooms online: <http://usopenkarate.com/book-my-room/>

Multiple Room Booking at Hotel: You can book multiple rooms at the hotel using the online hotel booking link on the US Open Website. When you book your rooms, make sure to note the Team Name when you enter the primary person for each room. If you do that, the amazing staff at the Coronado Springs will know to keep all your rooms close to each other so your team can make the most out of the experience.

T-shirts: Don't forget to order your official 2017 US Open t-shirt when you register. T-shirts have sold out the last two years so guarantee you will get one by pre-ordering online!
